

Avant Collections Limited

Email : fabrics@agcollections.com

Avant Collections Ltd is a multinational company, with annual turnover of about 15 Million US Dollars with sourcing operations in China, Indonesia and India. The group is also involved in manufacturing of Garments with fully owned Factory in Indonesia and working with partner factories in Indonesia, China and Bangladesh.

The Partner and CEO of the Group Manoj Kapoor has an extensive and rich experience in textile industry for over ten years sourcing fabrics from all over Asia. We have team of professionals to source various qualities, developments, order processing and financing with competitive pricing for various markets. Our main markets of exports are Europe, USA, South America and Russia which have their garment manufacturing bases in Sri Lanka, Bangladesh, Vietnam, China, Cambodia, Indonesia, Philippines & India.

China office is located at the heart of textile city Keqiao- Shaoxing to offer innovative products, strong quality control and quick turnaround delivery. After years of efforts, we have built up partnerships and branch offices in Indonesia, Sri Lanka, South Africa, India, Brasil & USA to work with our customers closely and offer them quick services at their doorsteps. We are REACH and OEKO TEX certified company and following AATCC, ISO quality standards for European and USA markets to service the brands such as.

Our vision - IN PURSUIT OF PERFECTION and focus on sustainable practices by anticipating needs of our customers by way of innovations, define standards and become their most-preferred supplier and partner.
