ABOUT US **WELCOME**

Asian Collections Garments is an established apparel export house founded in 2004 by Mr. Raman Chawla, headquartered in North Jakarta, Indonesia. With extensive experience in the global textile and apparel industry, we support international brands, wholesalers, and retailers through reliable sourcing, consistent quality, and disciplined delivery.

We specialize in men's and women's woven and knit garments, with production primarily based in Indonesia and extended material sourcing from China. Supported by professional teams and a trusted manufacturing network across Asia, we manage the full process from product development to final shipment.

As part of Avant Asian Group, our operations combine design innovation, strategic sourcing, technical expertise, and efficient production management to deliver scalable manufacturing solutions for global markets.

OUR MISSION

To deliver design-driven, commercially relevant apparel through controlled production systems, competitive sourcing strategies, and reliable on-time delivery – while maintaining uncompromising quality standards.

WHY CHOOSE US

- **Proven Industry Experience.**

Over three decades of expertise in global apparel sourcing and manufacturing.

- **Integrated Development to Delivery.**

End-to-end management from product development through final shipment.

- **Strategic Global Network.**

Production operations in Indonesia, fabric sourcing in China, and commercial supporting international markets.

- **Reliable Quality Control**

Dedicated technical and QA teams ensuring consistent product standards.

- **Competitive & Flexible Manufacturing**

Efficient sourcing and production solutions tailored to buyer requirements and FOB programs.

BUSINESS SERVICES

Design & Development

We transform customer concepts and seasonal direction into commercially viable garments through an efficient development process.

Sourcing & Manufacturing

Leveraging a trusted network of manufacturing partners across Asia, we deliver competitive sourcing and reliable production.

Quality Assurance

Our technical teams and structured quality control systems ensure consistent product standards throughout development and production.

Logistics & Delivery

We manage production coordination and shipments to ensure timely delivery, offering flexible terms including CMT and FOB.

COMPANY GROUP SETUP

PRODUCTION OFFICE

Indonesia, Jakarta

Our headquarters in Jakarta oversees core operations, product development, and export coordination, supported by a fully owned factory and a network of 10–12 trusted manufacturing partners across Indonesia.

SOURCING TEAMS

China, Shaoxing

Dedicated fabric sourcing team in Shaoxing, China, with access to key textile markets including China, Indonesia, Taiwan, Korea, India, and Bangladesh, supporting woven and knit fabric sourcing as well as seasonal collections for upcoming seasons.

HEADQUARTERS

Los Angeles, USA

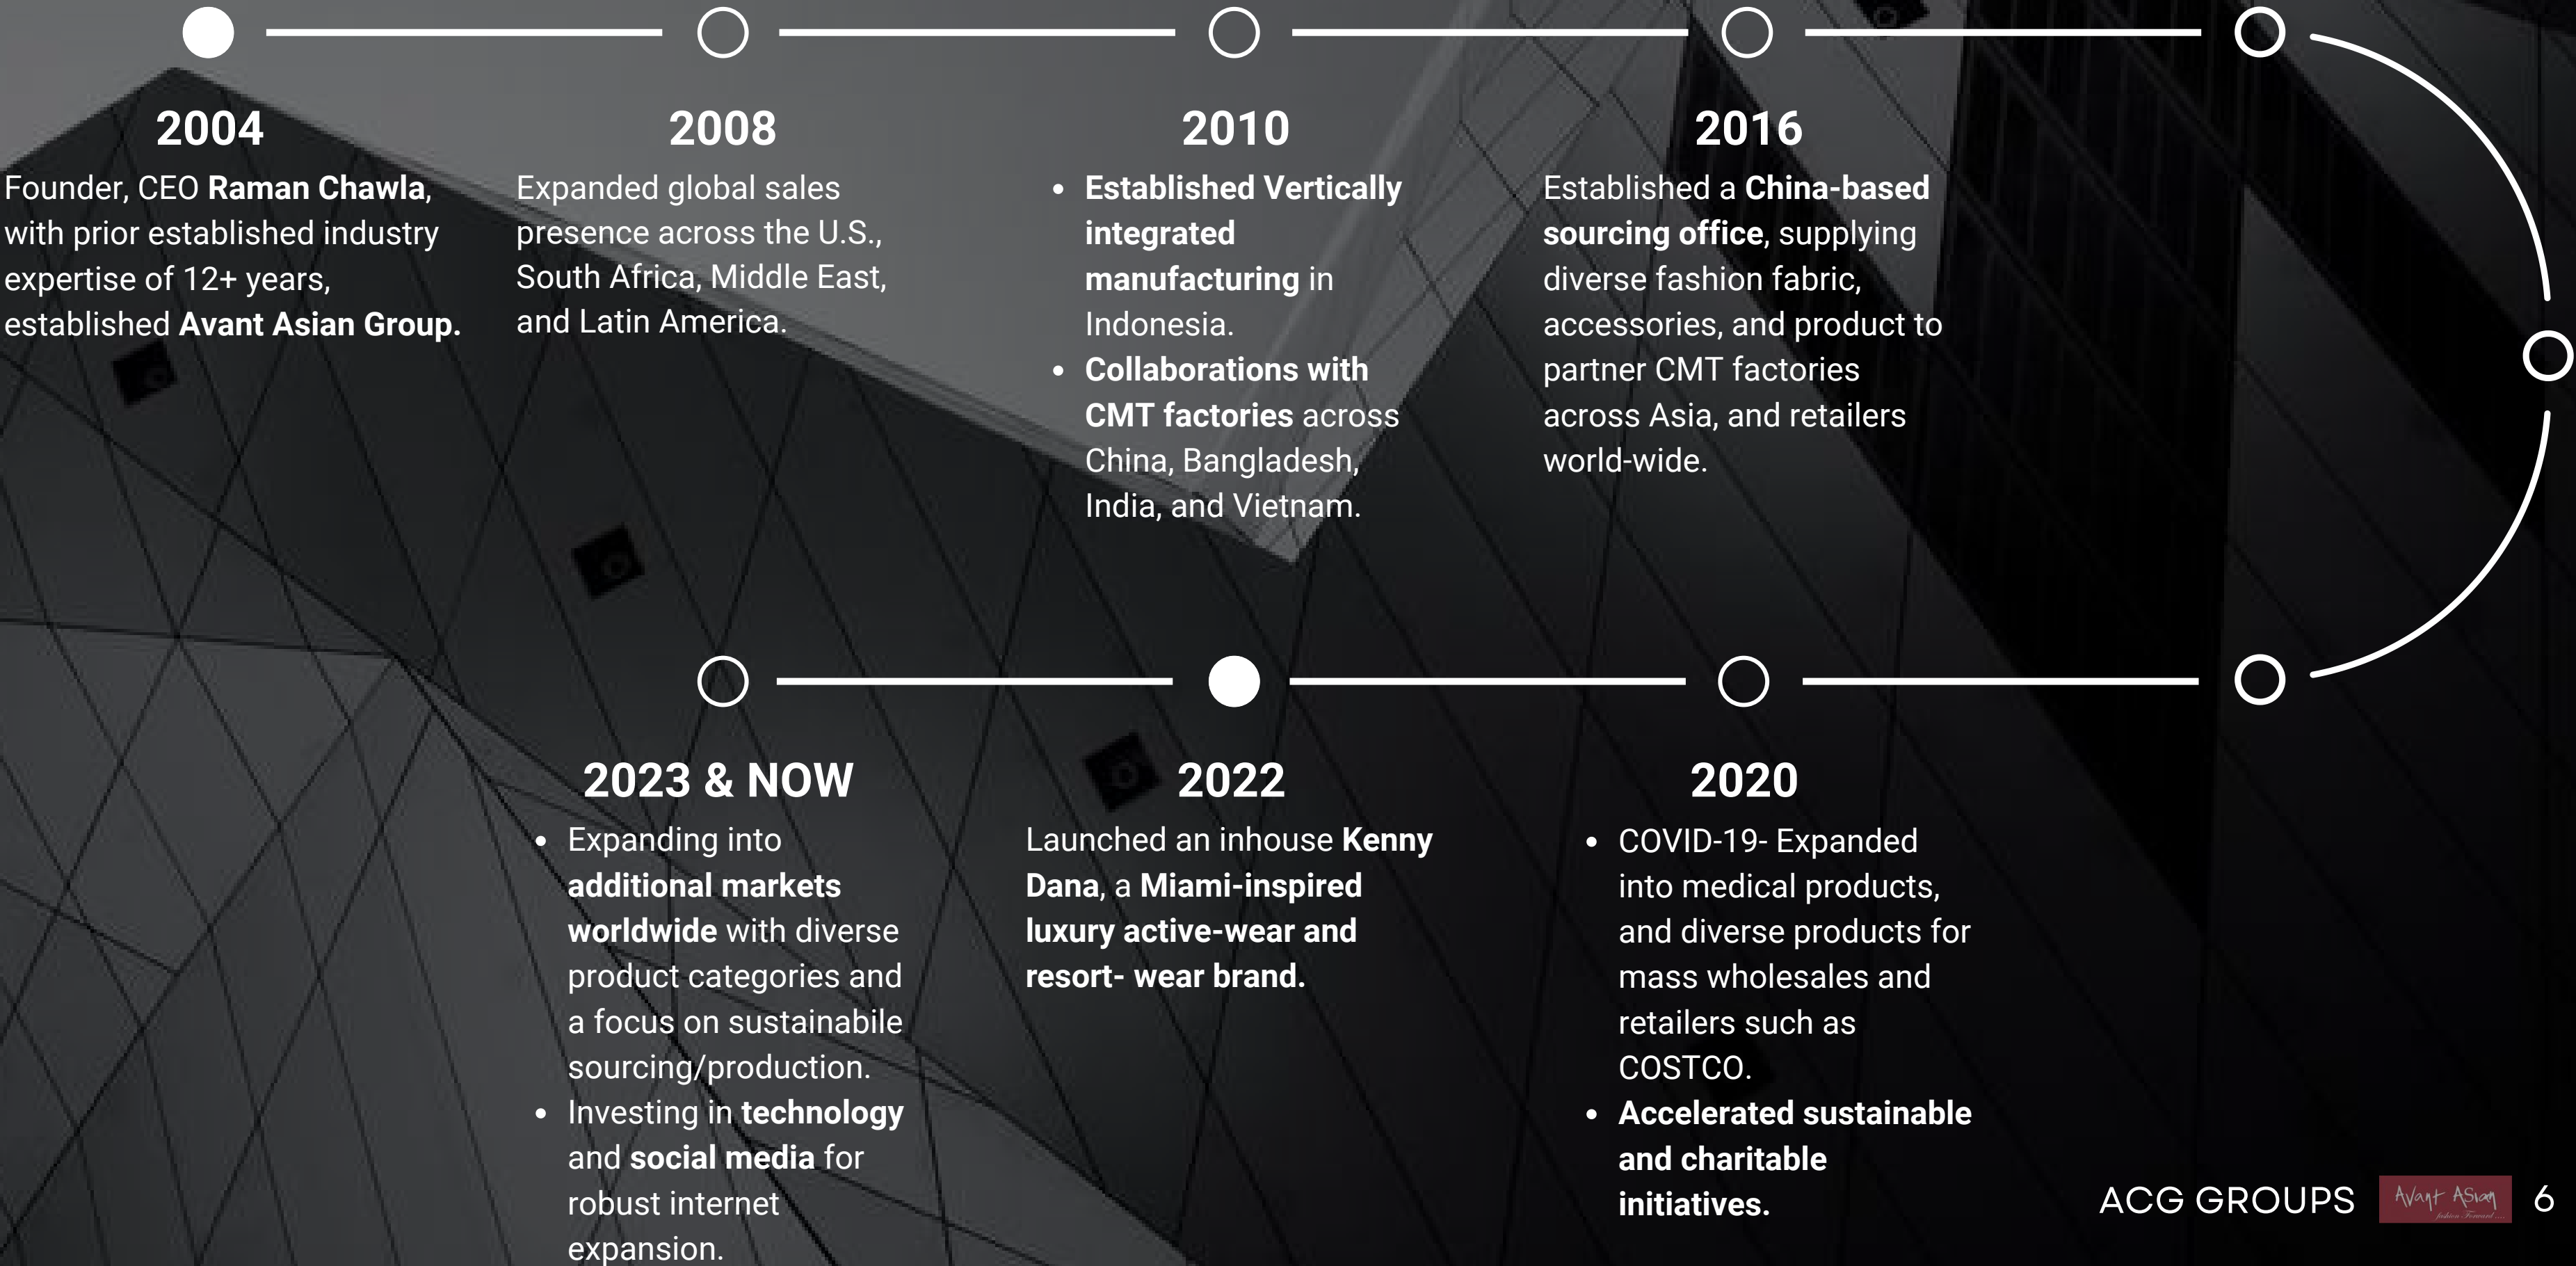

Our USA office leads marketing and production coordinations internationally and brand development for Kenny Dana, our premium activewear and resort wear brand, supported by a global marketing team.

MARKETING & PRODUCTION

India

Our India office manages marketing and production coordination, supporting brand development and sourcing initiatives for the Indian market.

A black and white photograph of a tall, modern building with a grid-like facade of windows. The building is viewed from a low angle, looking up towards the sky. The sky is filled with soft, white clouds. The text 'THANK YOU' is overlaid in large, white, bold, sans-serif capital letters. The word 'THANK' is on the top line, and 'YOU' is on the bottom line, centered horizontally between the two lines.

THANK YOU
