MEN'S GARMENTS

WOVEN & KNITS

AVANT ASIA GROUP

ABOUT US.

Asian Collections Garments is an established apparel export house founded in 2004 by Mr. Raman Chawla, headquartered in North Jakarta, Indonesia.

With extensive experience in the global textile and apparel industry, we support international brands, wholesalers, and retailers through reliable sourcing, consistent quality, and disciplined delivery.

We specialize in men's and women's woven and knit garments, with production primarily based in Indonesia and extended material sourcing from China.

Supported by professional teams and a trusted manufacturing network across Asia, we manage the full process from product development to final shipment.

We work with a diverse range of fiber compositions and blends, including Cotton, Polyester, Rayon, Modal, Lyocell, and Linen, along with various blended constructions, available with or without stretch properties.

As part of Avant Asian Group, our operations combine design innovation, strategic sourcing, technical expertise, and efficient production management to deliver scalable manufacturing solutions for global markets.

WHY PARTNER WITH US ?

Reliable Sourcing

Reliable sourcing support backed by a strong network of trusted fabric mills, processing units, and manufacturing partners.

Technical Expertise

Deep understanding of fabrics, fibers, fabric constructions, and their end-use garment applications across diverse product categories.

Flexible Development

Flexible product and fabric development with customized solutions tailored to buyer requirements, market trends, and performance needs.

Quality Assurance

Consistent monitoring and quality control from fabric development stage to bulk production execution, ensuring reliability, consistency, and on-time delivery.

Timely Execution

Our established relationships with mills, trim suppliers, washing units, and accessory vendors help reduce delays and ensure uninterrupted production flow.

DESIGN & DEVELOPMENT

We transform customer concepts, design inspirations, and seasonal directions into commercially viable fabric developments through an efficient and market-focused product development process.

SOURCING & MANUFACTURING

Leveraging a trusted network of manufacturing partners across Asia, we deliver competitive sourcing solutions, reliable production execution, and scalable manufacturing support across diverse product categories.

QUALITY ASSURANCE

Our experienced technical teams and structured quality control systems ensure consistent product standards, reliability, and compliance throughout the development and production process.

LOGISTIC & DELIVERY

Our experienced technical teams and structured quality control systems ensure consistent product standards, reliability, and compliance throughout the development and production process.

SUSTAINABILITY & COMPLIANCE SERVICES .

SUSTAINABLE APPROACH

Sustainable approach toward fabric development and garment sourcing services with a focus on eco-friendly materials, responsible processing, innovative textile solutions, and environmentally conscious supply chain practices.

Our goal is to support responsible and sustainable production practices while maintaining commercial viability, product performance, and long-term value for our partners.

SUSTAINABLE FABRIC SOLUTION

- Biodegradable Polyesters and Nylon alternatives
- Organic Cotton & BCI Cotton developments
- Recycled Polyester and sustainable blended fabrics
- Recycled Nylon fabric solutions
- Eco Viscose and responsible cellulosic fibers
- Lyocell-based sustainable fabric developments
- Hemp fabric solutions for natural and eco-conscious products
- Bamboo fabric developments with soft and functional performance properties

CERTIFICATION

OUR CUSTOMER.

BRANDS CATERING FOR FABRIC & GARMENTS SUPPORT

We have experience supporting brands and manufacturing partners with fabric sourcing, development, innovation, and supply chain solutions across multiple apparel categories including. We collaborate closely with brands and sourcing teams to deliver commercially viable and trend-driven fabric solutions.

WOVEN FABRIC STRENGTHS.

BRANDS CATERING FOR FABRIC & GARMENTS SUPPORT

We specialize in sourcing, development, and manufacturing support for a wide range of woven fabrics & garments catering to global fashion and lifestyle brands. With strong mill partnerships and technical expertise, we offer innovative, sustainable, and commercially viable solutions across multiple product categories.
